

- Approval of revised HAS assessment process

D172/C108

BT,

- having noted
 - that the previous contract of the HAS assessment system ended in March 2022;
 - the new tender specification 'Technical assistance to the EC for the assessment of harmonised standards' for the new contract of the HAS assessment system;
 - the revised HAS assessment process prepared by CEN-CLC/BTWG 12 'Harmonized standards and the European Regulatory framework' (see Annex 1);
- decided to approve the revised HAS assessment process as presented in Annex 1;
 - repealed decisions BT C045/2018 and D159/C071 that define the process of the previous HAS assessment system.

Decision date: 2022-08-31
